DUGOUT HATTERS

This season, we're selecting Junior Hatters and their families from the crowd to come and sit in the dugout during the players' warm up.

Many supporters have never seen the stadium from this perspective before, so it's a great experience. On Saturday we welcomed Aimee, Rebecca, Barry, Finley, Zac and Louise into the home dugout along with matchday volunteer Jenny. Some of the players came across to say hello and sign autographs. We hope you all enjoyed it!

CODY'S QUESTIONS

Young Cody McKee was the lucky winner of an opportunity to interview Hatters midfielder Lawson D'Ath on Saturday, after his dad pre-ordered him a Happy Harry's lunch bag for the Swindon match. Cody spent a few minutes with Lawson, asking him about his memories of being a young player. You can watch the interview in full on our youtube.com channel now: www.youtube.com/lutontown.

FAMILY FUN!

Saturday's 'Family Fun Day' went off with a bang or two - the sound of balloons popping at the Kenilworth Road end! Supporters enjoyed the extra activities, which included singer 'Rivers', face masks, a balloon modeller, face painter, candy floss, ice cream van, inflatable goal and much more. Our next family fun day is on 14th October for our match against Stevenage.
