

## How to add someone to my network on eticketing:

Supporters can add friends and family using the My Network tool. This will enable you to purchase tickets on their behalf in one booking.

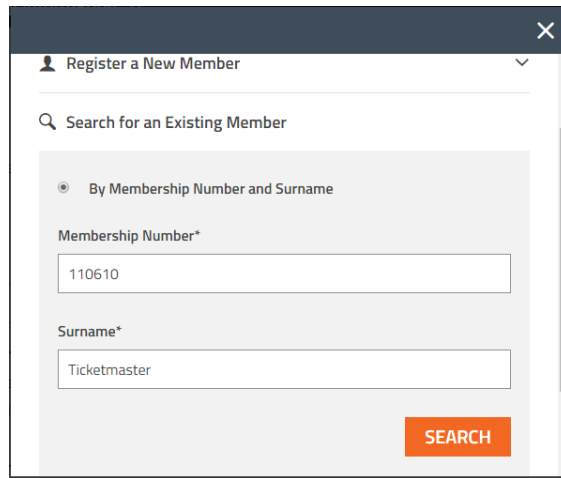

1. Once logged in using your unique client reference number which is situated in your season ticket booklet next to your name, click my account in the top right corner of screen and click network.

2. Click Add members.

3. Add client reference number and surname of your friend or family member and click search.
